- Assist on the case and serve customers as required.
- Ensure wastage is minimised.
- To ensure the integrity and accuracy of our inventory records, it is critical that all employees involved in the scanning of incoming stock follow the correct procedures for stock receipt and verification. All employees whose role includes scanning in stock are required to adhere strictly to the established stock scanning and verification procedures. Under no circumstances should an employee engage in 'blind receipting'—the practice of acknowledging the receipt of stock without properly scanning and verifying all items against the delivery documentation.

Failure to adhere to these scanning procedures will constitute serious misconduct of company policy and any non-compliance will be subject to disciplinary action.
